The ME Recovery System application

Before completing the application form below please take a few moments to consider the following.

The ME Recovery System is a therapeutic training programme, not a treatment, and success and lasting recovery depend upon the commitment, application and motivation of the client. Ask yourself whether you are ready to change your thinking, the way you use your mind, and perhaps your beliefs. These are what have kept you stuck in the past and changing them is key to changing your health (and your life).

If you would like to discuss any aspect of your current suitability for the course then please do contact us by email [Contact](#) or telephone 01392 215095
